COMMUNITY OUTREACH COMMITTEE

The OALA has initiated a new committee of Council to support community outreach and the community-led development of public space across the province. Dubbed Sprout, this program will link small teams of OALA members with community groups to create promotional material that can rally support and promote fundraising for public space initiatives.

As Sprout transforms from a task force to a committee, new members are encouraged to join and help prepare this program for launching in 2013. Sprout is also seeking community groups that are willing to collaborate in defining the optimal terms of such a program. Consultations will begin this fall and groups throughout the province are encouraged to participate. To volunteer or suggest a community group, please email Jon Woodside at jkwoodside@gmail.com.

PAST EVENTS - BLUE JAYS GAME

The 2nd annual "Night at the Ball Park" was a huge success. The Steam Whistle Brewery provided a proper start to the evening with everyone enjoying refreshments and socializing. The gorgeous weather allowed the Dome to be open which was greatly appreciated by everyone in attendance (20+ participants!). Despite the Blue Jays losing a close game by a mere 4-2 score, the evening was thoroughly enjoyed by everyone. We are looking forward to next year but until then we'll enjoy every day between.
